  },
  "notes": "Computed taxable income (724387.00) is derived from Form 16's Total salary (Line 3) minus Standard Deduction (Line 4a). This differs from Form 16 Line 12 (714444.00). The computed tax payable (59672) based on the provided Old Regime tax slabs for FY 2024-25 significantly differs from the employer's reported tax payable (15022.00) in Form 16 (Line 17), suggesting inconsistencies in the Form 16's internal calculations or missing contextual information for the employer's calculation."
